# MUHAMMAD SAMIULLAH
Product Designer / UXUI Designer

## ABOUT

With Three years of experience in UX/UI design, I craft user-centered digital experiences that are intuitive, visually appealing, and impactful across web and mobile platforms.

## WORK EXPERIENCE

**Kcube** — June 2025 - Present
UX/UI Designer

Designing joyful and effective user interfaces across platforms, enhancing overall user satisfaction through thoughtful UX/UI solutions.

**Geeky Bugs** — June 2023 - June 2025
UX/UI Designer

Designing joyful and effective user interfaces across platforms, enhancing overall user satisfaction through thoughtful UX/UI solutions.

**AG Solutions** — Apr 2024- Jan 2025
Product Designer

Crafted intuitive product designs to solve user problems effectively while ensuring a seamless multi-device experience.

**Devsinn Technologies** — Jan 2022- Jun 2023
UI Designer/Post Designer

Created visually engaging UI designs and digital posts, blending aesthetics with functionality to improve brand and user engagement.
